

Hassell Primary School Funding for PE and Sports provision 2014 – 2015

The sports provision at Hassell Primary is already considerable. Pupils are able to take part in a range of activities which include:

- *professional sports coaching within games lessons,
- *swimming lessons at KS2,
- *Adventurous outdoor pursuit residential activities,
- * Taster sessions in different sports including dance mats, Zumba, trampolining and climbing
- *After school activities in kick boxing, Judo, football (boys and girls), cricket and multisports.
- *Participation in School Games competitions against other local primary schools.

In addition to these activities the school will be participating in a range of sporting activities over the next academic year. The aim of these activities is to promote healthy lifestyles and physical wellbeing in all pupils, encourage a lifelong love of sports and to challenge and stimulate learning for both pupils and staff within our school. The programme incorporates rigorous professional development for our staff in order that we can continue to deliver high quality, sustainable, sporting activities in future years.

The following table indicates the range of activities that will be taking place, but is flexible and will continue to be a work 'in progress' according to the needs of the school and its community. If you would like further clarification of activities, please do not hesitate to speak to Mrs Broome or Mrs Pokora.

		their PE lessons.	
<p>Gymnastics taster sessions: Gymnastics lessons provided by qualified instructors which take place at a properly equipped gymnastics facility. Staff will also receive gymnastics CPD by observing best practise for continued use within school. This will update, extend and further develop their skill and subject knowledge gained during previous gymnastics CPD provided within the school setting.</p>	<p>Minimum of one visit each for all pupils. These will be spread over the course of the academic year.</p>	<p>Children will have the opportunity to use professional gymnastics equipment in a purpose built gym. They will learn to use and extend the skills taught within school. Children will be given information for opportunities to join a gymnastics club in their own time, thus encouraging continued physical activity at home. Staff will be provided with CPD training through their visit to enable them to improve their delivery of gymnastics within school. (Although limited gymnastics equipment at school will be taken into consideration).</p>	<p>£350 x 6 sessions = £2100 (2 hour gym training for each pupil, 2 hours CPD training for all staff and transport costs to and from the centre)</p>
<p>Dance workshops for classes which lead to pupils performing for the wider community. Staff will also receive CPD opportunities for best practise.</p>	<p>To be confirmed</p>	<p>Children will receive tuition in dance to enhance the curriculum currently delivered within school. 		<p>community. This will further the children's subject knowledge and dance skills, but will also encourage increased self-confidence, team work and commitment, in order for the children to perform for a wider audience than their class. Staff subject knowledge and skill level will also be improved by observing good practise during the lessons. This will enhance their own practise for future use.</p>	
<p>'Young Sports Leader' qualification for pupils in year 6.</p>	<p>To be confirmed</p>	<p>This is an accredited programme which equips our pupils with the skills to become young sports leaders. This will then enable them to organise and lead playtime sports activities for our younger students throughout school, thus extending their physical activity through games and sports at lunchtimes. It also encourages the older students to be positive role models and fosters stronger relationships within the school community.</p>	<p>Approx £25.00 per pupil. Costs and numbers to be confirmed.</p>

		The year 6 pupils will also be able to lead a training initiative for Year 5 pupils during the Summer term in order for them to continue to provide the lunchtime support for younger pupils within the next academic year.	
		Total expenditure	£6300 (+ dance, monitoring time for PE coordinator and sports leaders award.)
